(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

Applicant never received the Notice of Allowance mailed October 7, 2008. Applicant's first notice of the Notice of Allowance was on February 12, 2009 when a Notice of Abandonment was received in Orlando, Florida.

Immediately upon such notice, Applicants downloaded the Notice of Allowance from the offices' public PAIR system.

The undersigned personally inquired into if Applicant's incoming mail office had received the Office Action pursuant to their normal course of procedure and was informed that, after investigating the matter, the incoming mail office had not received the Notice of Allowance.

Applicant is attaching a Declaration from the appropriate mail office personnel to provide firsthand evidence of these facts.

Applicant is submitting PTOL-85 Issue Fee Transmittal along with payment of fees.

Applicant submits that:

- (1) the non receipt of the incoming Notice of Allowance was the cause of the delay at issue;
- (2) there was in place a business routine for performing the incoming mail clerical functions that could reasonably be relied upon to avoid errors in their performance; and
- (3) the mail office employees are sufficiently trained and experienced with regard to the function and routine for their performance that reliance upon such employees represented the exercise of due care.

(Please attach additional sheets if additional space is needed.)
